

- **The Visiting Christian School Ministry**

Dear Principals, Teachers and Leaders of Christian Schools and Home School Associations,

Greetings from the National House of Prayer in Ottawa. We are excited to offer a the Visiting Christian School Ministry. This ministry has a specific focus on our youth in Christian Schools across the nation. It is a program designed to give teachers and students the unique opportunity to come to the nation's capital and to experience the educational and spiritual opportunities of praying for the nation and its leaders on and around Parliament Hill while staying at the National House of Prayer.

NHOP has the privilege of hosting prayer teams from all across the nation. Some of these prayer teams have been high school students from several Christian Schools and the Master's Commission. These have been amazing weeks on Parliament Hill, where the Lord showered the youth with extraordinary favour. One team of high school girls were actually given a private audience with Prime Minister Stephen Harper in his office and were able to pray for him.

This is a strategic time in our nation where the Lord is calling forth those who will stand and pray for kingdom purposes for our nation. We believe that the youth are holding keys for such a time as this and that our prayers together are making a difference.

Please contact us for more information or visit our website at www.nhop.ca. We hope to see you and your students soon. Please forward this letter to any schools or educators that you think would be interested in coming.

Sincerely,

Rob and Fran Parker
