The Visiting Christian School Ministry

Are you planning your school's activities for the year? Why not consider a school trip to the National House of Prayer? We would like to introduce you to our Visiting Christian School Ministry here in Ottawa.

Your stay at the National House of Prayer would uniquely combine learning about government from God's perspective coupled with the spiritual values and the practical experience of praying for the nation and its leaders.

Depending on the length of your stay, the program could include Bible teaching, attending Question Period at the House of Commons, a tour of the Parliament buildings and the Peace Tower, a Parliament Hill Prayer Walk, and a visit with your Member of Parliament. Additional educational activities that you may want to consider would be visiting any of the many incredible museums that the city has to offer.

The National House of Prayer has hosted hundreds of people on visiting prayer teams from various ages and from various churches, ministries and schools from around the nation. We have seen that the youth of our generation carry a special blessing and a favour from the Lord. Where doors have been closed to older generations, doors have been opened to youth on Parliament Hill, even to having prayer with the Prime Minister.

Please consider bringing your students for an unforgettable Field Trip for the day or for an extended visit hosted by the National House of Prayer. We can accommodate teams of up to twenty people. We invite you to review the all of the information and we would be pleased to tailor a visit specific to your class or Home School Association.
