

What People Are Saying About Us at the National House of Prayer

“I just want to tell you how my time with you and all your staff has impacted my life. The anointing on the house and on each of you there is palpable. I had a life changing week. The Lord opened my eyes and my spirit regarding our politicians and our country. I am still floating..... And hope to return soon.”

A team member from Alberta

“We praise the Lord for the week at Nhop. Our eyes were opened and our ears given understanding about Canada, government, M.P.s, Senators, and the Lord’s work there. May the Lord bless you as you seek to hear Him, worship Him and lead others.”

A team member from Ontario

“Dear friends at Nhop, words can’t begin to express the gratitude for all I’ve received these past days. What precious servants you all are. You are a beautiful expression of the Body of Christ. This week has been awesome”.

A team member from Manitoba

“I am just now putting into words what God gave me through scripture. All of our team had a joyful and spirit-filled week. Thanks for being the Lord’s servants and for all that you did for us.”

A team from Prince Edward Island

“Thank you for your incredible hospitality and accommodating this year’s National Student Forum. It is our continued hope to grow in relationship with the National House of Prayer. God bless you and your ministry there.”

The National Student Forum

“I believe this is the right time for the National House of Prayer to be established in Ottawa. I believe this will release God’s purposes and plans for this nation, I would love to encourage cities across Canada to be part of what the Lord is doing through the National House of Prayer”
